Agreement subject to the terms here of: The undersigned Owner and NRD agree that the undersigned shall be given, as Owner's property, 75% cost-share assistance, provided by the NRD and the Nebraska Environmental Trust, towards a District approved flowmeter. Cooperators would be responsible for the remaining 25%, installation costs, and sales tax associated with each flowmeter purchased. It is the Owner's responsibility to provide maintenance of the flowmeter and all other equipment associated with the flowmeter, including the required check valve for a minimum of five years. Annual water use numbers shall be reported for municipal, commercial, and livestock systems in writing to the NRD by January 31st of each calendar year. For irrigation systems, the NRD, with proper operator notification, will be granted property access to inspect flowmeter. The undersigned acknowledges and agrees that if the property should change ownership, the undersigned shall transfer the ownership of the flowmeter and flowmeter agreement to the new owner of the flowmeter site. Additionally, should the undersigned breach this agreement; it will be at the NRD's discretion whether funds will be recouped, and contract rescinded.
